Ines & Xavier  
Social Media and E-Commerce  
Videographer Duo

With a social and artistic background Inés and Xavier's love for moving images grows every time they have a project between their hands.

Before they met, both of them were already interested in the audiovisual world. Inés picked every film and photography subject she could at Architecture School. Meanwhile Xavier discovered that his passion for video editing was growing in time and started to include it in his studies and social projects.

Xavier as video editor and Inés behind the camera make a simbiotic talented team, and a creative duo.

Their fresh and contemporary approach towards fashion has given them the opportunity to appear in editorials and social media such as Vogue, Elle, Marie Claire, L'Officiel, Neo 2 ,Rebel, Client Magazine and Stranger Things Official Store among other brands.
