

VITA

Julia Rogowska
Director

Creative, vulnerable, experienced and determined.

Julia's talent for outstanding casting and vivid, humorous storytelling is wrapped in great pictures. She always keeps a very close eye on all the processes and you will see her "everywhere" on set making sure things are where they need to be.

Her sense of humor speaks to the modern consumers, her intuition guides her impeccably and with so many years constantly creating she still amazes and surprises.

Her style is one of a kind, a blend of the contemporary visual language and storytelling craft.

Whatever the scale, Julia's work draws you in, touches your heart, and tickles your funny bone - most likely all at once. Her ability to deftly establish the voice of a brand has led to longstanding relationships with a lot of clients.

In her portfolio you'll find works for Netflix, Mercedes - Benz, Reckitt Benckiser, Modivo, Dacia, Pepsi, Samsung, McDonald's, Nestle and many more.
