MANAGEMENT

## Frank Schlotterbeck

---

DIRECTOR OF PHOTOGRAPHY

Frank Schlotterbeck started his career as a graphic designer. As he discovered his passion for film and television, he adjusted his focus by switching the field of study to Media technology. Following he was gathering working experience as a director of Photography, first in a renowned film production later as a self employed DOP.

Since he has provided the international market not only with commercials, image films and music videos, but also with film productions and documentaries, he gathered a wide varied experience - Best known is his documentary debut with "The Worlds Fastest".
