MANAGEMENT

vita luka boerrigter

Director & Photographer

Luka began working at a music video broadcast company in Amsterdam. Here she shot artist documentaries and did a lot of editing work before she began directing herself. She regularly works for some of the biggest artist in the Netherlands and discovered that she likes both directing and photography, as long as she can creates an aesthetically pleasing image. Her work varies from music video's to commercials and her style is best described as nostalgic, timeless and romantic.
